The story so far

Westfield School is on the cusp of achieving great things. The school came under the leadership of Chorus Education Trust in spring 2017, and officially joined the Trust at the end of 2018. Chorus is an inclusive and aspirational local Trust that is drawing on the very best teaching and learning across South Yorkshire and Derbyshire.

With solid foundations in place, a new Head of School is working with staff to ensure that the Trust's ethos of '**Outstanding Achievement for All**' is at the core of all work at Westfield. The school has a strong tradition of inclusion, whilst aspiring for the very best education, opportunities and results possible for all students. We are passionate about transforming our students' life chances.

This is a school where, if you have the drive, talent and commitment, you can make great progress. It is a happy school with supportive and willing staff, students and parents. It has excellent facilities, particularly for sport – **with a sports centre (including swimming pool), which can be used for free by staff.**

We have been through some challenging times but now definitely turning the corner. Our new leadership team, along with our dedicated staff, have been working with local feeder schools and parents to move Westfield towards becoming the fantastic school it was always meant to be. The ingredients are all here - but we need to expand our team to include even more teachers who have the drive and talent to bring about the change needed.
