

School Improvement Primary Leader

Secondment Opportunity

Temporary 1 Year (linked to the MDIF Funding)

Pay Scale - NLE Rate

3 days per week (job share role will be considered)

We are strengthening support for our rapidly growing trust. This brings an exciting opportunity for us to appoint 2 high calibre candidates to lead on school improvement (primary) and work closely with our school leaders to move our schools to excellence in all aspects of their work.

We are looking for an exceptional educator with excellent professional interpersonal skills to work alongside our capable and highly motivated school leaders to embed the Chorus ethos and high standards in all aspects of school life.

The role will involve developing close working relationships to support and challenge schools as well as continuously developing Chorus Trusts core offer.

The person appointed will play a key role in achieving educational excellence for all our children.

Further information about the special project is available from Roisin Paul.

Please ensure your application includes your vision for the role and outlines your strategic plan. This is to be no more than 2 sides of A4 and can be placed in the information to support your application section of the Chorus Education Trust application form.

Completed application forms are to be sent to Carly Braid cbraid@chorustrust.org
