1. Aims

We are committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values good attendance, including:

- Promoting good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to ensure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)
- This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

- Advising the headteacher when to issue fixed-penalty notices

3.7 Class teachers/form tutors

Class teachers/form tutors are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information into the school MIS system.

3.8 School office staff

School office staff will:

- Take calls from parents about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents to the head of year/pastoral lead in order to provide them with more detailed support on attendance

3.9 Parents/carers

Parents/carers are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 9am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day

3.10 Pupils

- Pupils are expected to:
- Primary schools- Attend school every day on time
- Secondary schools- Attend every timetabled session on time
- Sixth form- Call the school to report their absence before [time, e.g. 9am] on the day of the absence and each subsequent day of absence

4. Recording attendance

4.1 Attendance register

We will keep an attendance register and place all pupils onto this register.

The attendance register will be taken at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made.

Each school in the trust has different start times for the school day and the second session of the day. It is the responsibility of the Headteacher to ensure that arrangements are made and published to register for the first and second sessions.

4.2 Unplanned absence

Parents must notify the school on the first day of an unplanned absence – for example, if their child is unable to attend due to ill health – by 9.00 am or as soon as practically possible (see also section 6).

Absence due to illness will be authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask parents to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Missing registration for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Applications for other types of absence in term time must also be made in advance. Information relating to whether the school can authorise such absences can be found in section 5.

4.4 Lateness and punctuality

A pupil who arrives late but before the register has closed will be marked as late, using the appropriate code. A pupil who arrives after the register has closed will be marked as absent, using the appropriate code.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may contact police
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer

4.6 Reporting to parents

Parents will receive a report on their child's attendance record through the reporting schedule of each school.

5. Authorised and unauthorised absence

5.1 Granting approval for term-time absence

Heads of School may not grant any leave of absence to pupils during term time unless they consider there to be 'exceptional circumstances'.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. A leave of absence is granted entirely at the Heads of School's discretion.

Any request should be submitted as soon as it is anticipated and, where possible, at least four weeks before the absence, and in accordance with any leave of absence request form. The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments – as explained in sections 3.2 and 3.3
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational

boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

- Study Leave
- Flexi schooling requests
- Close family bereavement and attendance at funeral

5.2 Legal sanctions

Schools can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a penalty notice, parents must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

The decision on whether or not to issue a penalty notice ultimately rests with the headteacher, following the local authority's code of conduct for issuing penalty notices. This may take into account:

- A number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute the parent or withdraw the notice.

6. Strategies for promoting attendance

Assemblies and form time are used regularly to promote the benefits of good attendance

Pupils with very good attendance are recognised and rewarded.

The Chorus Attendance Strategy follows a RAG process to identify the strategy and actions that are appropriate for the levels of absence.

If attendance falls below 95% an early assessment will take place with pupils and parents. At this stage Year teams will lead the work with pupils.

If attendance falls below 90%, the attendance team will complete an attendance review to identify reasons for persistent absence and put an action plan together.

7. Attendance monitoring

School Leaders will

- Monitor attendance and absence data weekly, half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is

published alongside the national statistics. The school leaders will compare attendance data to the national average, and share this with the CEO and governing board.

7.2 Analysing attendance

School Leaders will

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

7.3 Using data to improve attendance

School Leaders will

- Provide regular attendance reports to form tutors, and other school leaders, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

7.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

School Leaders will

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance

8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum annually by the CEO. At every review, the policy will be approved by the full governing board.

This policy links to the following policies:

- Child protection and safeguarding policy
